Commissioner for Patents

The examiner has now received a copy of the IDS submitted by applicants on 9/8/2003. The IDS has been considered and the claims distinguish over the art cited. Apparently, applicants IDS did not reach the examiner earlier because applicants were using 10/608,212 as the application number when 10/608,121 is the correct number. An initialed copy of the IDS is being returned to applicants with this communication.
